PRACTICAL INFO

ORGANISER

Nordisk Samorganisation för Ungdomsarbete, NSU (English: Nordic Youth Association)

CONTEXT

Dynamo is a project carried out by NSU in cooperation with a wide range of Nordic and Baltic youth organisations. The outcome will be an online course for NGO staff, board and volunteers to be used as resource material for developing the organisations. The course will consist of modules in the format of texts, drawings, photos, films, podcasts etc. and it will be publicly available at NSU's webpage. In 2019 we gather background material, in 2020 we produce the course, and in spring 2021 we facilitate a test round and disseminate the course. This call is for a workshops where part of the course production happens.

TARGET GROUP

Young people from Nordic and Baltic countries who have the required skills and are motivated to work on the online training course. The age range is preliminary 20-29 and we expect to be 5-6 persons in total for this workshop. NSU will simultaneously run the preparatory meeting for the Youth Week, so therefore there will at the same place be additionally 3-4 persons engaged in that meeting.

ACTIVITY FORMAT

This workshop is a combination of work and adventure - among Nordic-Baltic friends and in the magic setting of the Lofoten. We will in average work 6h per day on online course production. The format is common planning meetings and concrete work tasks individually and in groups. We film and record podcasts, write, draw, paint and edit. The main work language is English, but Scandinavian can be used in groups when it is understood by everyone. At the free time we explore the nature of Lofoten.

VENUE, ACCOMMODATION AND MEALS

We will stay in rural house, which functions both as work space and accommodation. We will cook most meals ourselves in the house. The rent and food costs, as well as local transport costs, are covered by NSU.

TRAVEL

The workshop starts in the evening the 30th of September and ends after breakfast on the 4th of October. Participants are allowed to stay up to 48h extra time to explore the Lofoten, and cover food and accommodation costs themselves for possible extra time. NSU reimburses all travel costs for the selected participants. However, reimbursement requires:

- Full presence and active contribution at the workshop.
- Most economical way of travel must be used (economy class flights, 2nd class train etc.)
- International travel is booked at 3 weeks in advance and agreed upon with the NSU secretariat.
- Documentary evidence must be provided for all travel costs: ticket showing travel route, price paid and the date of payment. If the ticket lacks information about amount or date of payment, add bank or credit card statement. Boarding pass is required for travel by plane and ferry.
- Any payment over 1000€ need to be supported by a bank/credit card statement.

INSURANCE

The organisers do not offer travel insurance. Participants are advised to have travel insurance that covers health, and preferably also luggage. All participants are urged to bring a European Health Insurance Card as travel insurance may not cover costs that should have been covered by this card. It can be ordered for free from your National health care web page/office.

APPLICATION

To apply, please use the enclosed application form and return it to NSU (info@nsunet.org) by 31 August 2020. To increase your chances to get selected, you are welcome to send reference material, for example films, podcasts, artworks or texts you have produced.
